elegič|no, ~ki *adv* elegiacally
elegija *f* elegy
Elektra *f Gk myth* Electra
elektran|a *f* power plant/station; (power) generating plant/station; power house, electricity works[17] (→ **termoeletrana, hidroelektrana**) | **nuklearna ~a** nuclear power plant; **strojarnica ~e** turbine hall
elektricitet *m* electricity | *phys* **atmosferski ~** atmospheric electricity; *(šire)* atmospherics *pl;* **nabiti ~om** charge (with electricity), electrify; **nabijen ~om** charged, electrified; *(žica)* charged, live; *fig* **atmosfera puna ~a** electrified (*ili* highly-charged) atmosphere
električ|an *adj* electric; electro- | **~na struja** electric current; **~no svijetlo (osvjetljenje)** electric light (lighting); **~na energija** electric power; **~na industrija → elektroindustrija; ~ni stroj (motor)** electric machine (motor); **~ ne instalacije** electrical wiring; electrics; **požar izazvan kvarom u ~noj instalaciji** fire caused by a power fault (*ili* by faulty electrical wiring); **~na ograda** electrified fence; **~na centrala → elektrana**; →[4] **~na peć, ~na stolica, ~ni udar, ~ni vod, ~ni naboj, ~na mreža, ~ni stup** *itd;* **nestašica ~ne energije** power cut; *(strujni kolaps)* blackout (*djelomičan* brownout)
električar *m* electrician, electrical worker/repairman
električarski *adj* electrician's
električki *adj* → **električan**
električno *adv* electrically
električnost *f* →[1] **elektrizam**
elektrificira|ti *vt pf/impf* supply with electricity, electrify (→[10] uvesti **struju**) | **~n** having electricity, electrified; electric-powered
elektrificirati se *vr pf/impf* bring in electricity, carry out electrification
elektrifikacija *f* electrification | **~ pruge** electrification of a railoroad/railway
elektrifikacijski *adj* electrification- (→ **-ioni**)
elektrifikovati →[16] **elektrificirati**
elektrik|a *f* electric power/current (→ **struja**); electricity | **uvesti ~u u kuću** → uvesti **struju**
elektrisati →[16] **elektrizirati**
elektriz|acija *f*, **~iranje** *n* electrifying, electrification
elektriziran *pp* & *adj* electrified (→[10] **naelektriziran**)
elektriziranost *f* electrification, being electrified *itd.* (→[15] **-iranost**)
elektrizirati *vt pf/impf* electrify, charge (with electricity); *fig* electrify, galvanize[1], thrill
elektrizirati se *vr pf/impf* become[39] electrified
elektrizovati →[16] **elektrizirati**
elektro- *pref* electro-, electric (→ **električan**)
elektroaviomehaničar *m aero* aircraft electrician
elektročelik *m metal* electrosteel, electric steel
elektroda *f el* electrode; lead
elektrodinamič|an, ~ki *adj phys* electrodynamic
elektrodinamika *f phys* electrodynamics[17]
elektrodistributiv|an *adj* power-supply (→[10] **elektroenergetski**) | **~na mreža** power-supply grid, electricity grid; **~no poduzeće** (electric) power-supply company
elektrodni *adj el* electrode- | **~ ugljen** electrode carbon
elektroencefalograf *f med* electroencephalograph
elektroencefalografij|a *f med* electroencephalography | **stručnjak za ~u** electroencephalographer
elektroencefalogram *m med* electroencephalogram (*abbr* EEG)
elektroenergetika *f* electric power supply; electricity supply; →[3] **elektroprivreda**
elektroenergetsk|i *adj* electric-power | **~o poduzeće** electric-power company (→[10] **elektrodistributivan**); **došlo je do raspada ~og sustava** the electricity grid collapsed; the result was a blackout (*djelomičan* brownout)

elektroenergija *f* electric power/energy
elektroindustrija *f* electrical (equipment) industry, electrical engineering industry
elektroindustrijski *adj* electrical-industry
elektroinstalacijski *adj* (→ **-ioni**) | ~ **materijal** electric fittings, wiring supplies
elektroinstalater *m* electrician
elektroinstalaterskl|i *adj* | ~**i poduzetnik** electrical contractor; ~**o poduzeće** electrical contractors *pl*
elektroinženjer *m* electrical engineer
elektrokardiograf *m med* electrocardiograph
elektrokardiografija *f med* electrocardiography
elektrokardiografist *m med* electrocardiographer (→ **-ista**)
elektrokardiogram *m med* electrocardiogram (*abbr* ECG) | **napraviti** ~ do an e.
elektrokemija *f* electrochemistry | **tehnička** ~ industrial electrochemistry
elektrokolica *f (kolodvorska, industrijska)* electric truck
elektrolit *m phys* electrolyte (→[10] **akumulatorska** kiselina)
elektrolitskl|i *adj phys* electrolytic | *el* ~**a posuda** e. bath/cell; *metal* ~**i bakar** e. copper
elektrolizl|a *f chem* electrolysis[16] | **izvršiti** ~**u** electrolyze[1]
elektrolokomotiva *f* →[7] električna **lokomotiva**
elektromagnet *m el* electromagnet
elektromagnetizam *m el* electromagnetism
elektromagnetl|ski, ~**ni** *adj el* electromagnetic
elektromašinski →[16] **elektrostrojarski**
elektromaterijal *m* electro-technical products, electrical fittings
elektromehaničar *m* electromechanic
elektromehanički *adj* electromechanic(al)
elektromehanika *f* electromechanics
elektrometalurg *m* electrometallurgist
elektrometalurgija *f* electrometallurgy
elektrometalurški[1] *adj* electrometallurgical
elektrometalurški[2] *adv* electrometallurgically, in electrometallurgical terms
elektromobil *m mot AE* electric automobile, *BE* electric motor-car, *AE/BE* electric car, *arch coll* electric
elektromontaža *f* electrical fitting
elektromontažni *adj* electrical-fitting
elektromonter *m* electrical fitter
elektromotor *m* →[7] električni **motor**
elektromotornl|i *adj phys* electromotive | *el* ~**a sila** e. force; *eng* ~**i pogon** electric-motor drive; ~**a vozila** electric-motor (*ili* electric-traction) vehicles; →[7] ~**i vlak**
elektromreža *f* power-supply grid (→[7] **mreža**)
elektron *m phys* electron; *minr & metal* electrum
elektroničar *m* electronics engineer/specialist/ /expert, electronician; *specif* → **elektronički** inženjer/tehničar
elektroničarski *adj* electronician's (→[15] **-ski**[1])
elektroničkl|i[1] *adj* electronic, electronics- (related) (→[3] **elektronski**) | ~**i inženjer (tehničar)** electronics engineer (technician); ~**o inženjerstvo** electronic engineering ~**i proizvodi** electronics, electronic equipment; ~**a industrija** electronics industry; ~**i sektor** electronics sector; *el* ~**e naprave/uređaji** electronic devices; ~**i dalekozor (mikroskop)** electron telescope (miscroscope)
elektronički[2] *adv* electronically; in terms of electronics

elektronka *f el AE* (electron) tube, *BE* (electronic) valve | **katodna** ~ cathode-ray tube
elektronskl|i[1] *adj* electronic, electron- (→[3] **električki**) | *phys* ~**i snop** electron beam; *phys* ~**a leća** electron lens; *phys* ~**i top** electron gun; ~**a cijev** → **elektronka**
elektronski[2] *adv* electronically
elektrooprema *f* electrical equipment
elektroopskrba *f* power supply
elektroopskrbni *adj* power-supply
elektropeć *m metal* electric furnace (→[7] **peć**)
elektropogon *m* →[7] električni **pogon**
elektropokretač *m mot* → **starter**
elektroporculan *m techn* insulation/electrical porcelain
elektroprivreda *f* electric–power industry/ /supply
elektroprivredni *adj* (electric-)power-industry, (electric-)power-supply
elektroprivrednik *m* (electric-) power-industry executive (*ili* manager, leader)
elektroservisnl|i *adj* | ~**a radionica** household/ /electrical appliances repair shop
elektrostatički *adj phys* electrostatic
elektrostatika *f phys* electrostatics[17]
elektrostimulator *m* | *med* ~ **srca** pacemaker
elektrostrojarski *adj* electromechanical-engineering | ~ **inženjer** electromechanical engineer
elektrostrojarstvo *n eng* electromechanical engineering
elektrostrojogradnja *f* electrical machinery manufacture/industry; electrical machine-building
elektrostrojovođa *m rlw* →[7] **strojovođa**
elektrošok *m med* electric shock, electro-shock | **liječenje** ~**om** electric shock treatment, electro-shock treatment
elektrotehničar *m* electrotechnician
elektrotehnički *adj* electrical-engineering | ~ **fakultet** school of electrical engineering
elektrotehnikl|a *f* electrical engineering; electrical technology, electrotechnology, *rijetko* electrotechnics[17] | **inženjer** ~**e** (graduate) electrical engineer

elektroterapeut *m med* electrotherapist
elektroterapija *f med* electrotherapy
elektroterapijski *adj med* electrotherapeutic, electrotherapy-
elektrouređaj *m* electrical device/unit; circuit elements
elektrovarilac *m* electrowelder
elektrovarilački *adj* electrowelding; electrowelder's
elektrovuča *f rlw* electric traction
elektrovučni *adj rlw* electric-traction
elektrozavarivač *m* →[16] **elektrovarilac**
